SPORTING CLAYS NSW INC.

2022 STATE SELECTION REQUIREMENTS

PLEASE ADVISE ALL YOUR MEMBERS OF THE FOLLOWING

All competitions will be conducted as per SCA rules. Hearing and eye protection is now compulsory, maximum load 28gr as of 1/1/06.

Compulsory Guidelines

The State has finalised guidelines for this years' state selection and championship shoots. It was decided that we adopt the following policies as per AGM 2019;

1. Exotic targets are to comprise 30% of the targets thrown. (E.g. 8 exotic targets per layout minimum) Two Rabbits and two Battues must be thrown on each range. The balance of the 30% of exotics are to be distributed over the Ranges i.e. Midis, Minis, Super Minis and Rockets
2. Each Range must have between 4 and 8 Doubles per 25 Targets
3. A2.18.2 Sighter targets. At all shoots which have been advertised to attract other competitors, including state and national championships. Sighter targets will be thrown if requested for the first shooter only and for the first shooter of subsequent squads, all other aspects of rule 2.18 and A2.18 still apply.
4. Squad sheets must have a designated referee in each squad and must be checked and signed by each shooter on completion of each round. Each round must be scored on separate sheets and returned to office at completion of each round.
5. Range inspections must commence at least one hour prior to advertised shoot time. The range inspection committee has the right to alter targets.
6. Appeals must be lodged in the correct manner otherwise they will not be heard by the jury.
7. Clubs advertisements must acknowledge sponsorship from Sporting Clays NSW.
8. Adrian Hayes Memorial (club team event) All shooters must be current financial members of Sporting Clays NSW Entry Fee \$20 per team. As per standing orders lodged 11/05/00, teams are to be made up of four persons from the nominated branch. The four person team is made up of a maximum of one AA grade shooter, at least on B or C grade shooter and the remaining can come from A, B or C. Senior, Veteran, Master, Ladies and juniors who are part of that team must go on their open grade handicap to compete. Branches with insufficient numbers present may borrow one team member from another branch.
9. Maximum nomination fee for State Selection Shoots set at \$75 per 100 targets. State is to provide \$750 per host club for State Selection shoots and \$1250 for the State Championship. This money will not be released until results and a written shoot report with photos and an invoice is emailed to the CTD (nswsctd@gmail.com) Prize pool should represent an "equivalent" value of \$1500.00 and \$2,500 respectively.
10. All financial members of shooting affiliations in Australia (all states) are eligible to compete for sashes and prizes at NSW State Selection and Championship shoots, however interstate members are not eligible for selection points or any incentives exclusively available for Sporting Clays NSW members.
11. Range format: Clubs have the option to introduce new format, which consists of 5 stands with three traps consisting of three singles and a pair (five targets) per stand, as per national events. However, there cannot be less than 5 stands per range.
12. Prizes must be paid for 1st -3rd in all grades and categories. (With the obvious exception of High Gun.)

Grades;	HG	AA	A	B	C		
categories;	Ladies	Junior	Sub-Junior	Man	Senior	Veteran	Master
13. Shooters must decide if they are going to shoot in their grade or category at the first State shoot they attend. They will then only be able to nominate in that manner for the rest of the calendar year.

Important Notice: Number for the 2 day shoot are essential at least one week prior to the shoot date. Two day shoots are 100 targets Saturday and 50 on Sunday starting at 10am. These shoots are fully catered and you can't duck around the corner shop for supplies. The rest are bring your own, but ring in advance to check if it is still on.

Other interesting things to do while in the area could include Sturt National Park with some restored building and modelled old time methods of water pumping and mining, with tourist roads through landscapes and points of interest. The whole area being an old goldfield leaves interesting areas to fossick as well as just sightseeing. Fishing on Coopers Creek at Innaminka, with historical sights from Sturt's and Bourke and Will's expeditions into the centre of Australia, is definitely worth a 6 hour drive. A 15 minute drive to Mt Poole Station and you can see Depot Glen, Poole's Grave and Mt Poole all dating back to Sturt's trek. Not to mention friendly people and good pubs at Milparinka and Tibooburra when the need arises.
